

JOSTLE LIBRARY (serial & parallel) Evaluation Licence

Conditions of the Licence and Use

- The JOSTLE LIBRARY is a serial & parallel software tool which partitions graphs for mapping onto distributed memory parallel machines.
- The JOSTLE LIBRARY software is owned by its authors who claim the sole rights to the software and any documentation. It is distributed via the University of Greenwich, London, UK.
- The purpose of this licence is to enable the LICENCE HOLDER and OTHER NAMED USERS named below to use the JOSTLE LIBRARY at the ORGANISATION named below for academic and research purposes only to facilitate detailed evaluation and testing of the software.
- This licence specifically does not permit the resale of the JOSTLE LIBRARY in whole or part, either as a stand-alone product or as part of another product. It also does not permit the use of the JOSTLE LIBRARY in a non-academic environment. If the licensee wishes to extend the terms of the licence to cover one or more of the above areas they should contact the code authors. Permission for such extensions will not be unreasonably withheld, but any person or persons abusing the terms of this licence will be prosecuted under the laws of England and Wales.
- Where the JOSTLE LIBRARY is used in any published research then its use must be acknowledged by reference to at least one of the papers quoted in the User Guide. This is a condition of the licence.
- Neither the authors, nor the University of Greenwich accepts any liability in respect of any damages arising out of the use or the inability to use the JOSTLE LIBRARY including but not limited to:
 - the loss of data;
 - data being rendered inaccurate;
 - losses sustained by a licensee or a third party as a consequence of use of the JOSTLE LIBRARY;
 - in particular, the use of the results of the JOSTLE LIBRARY on safety critical applications is done so at the users risk.
- The JOSTLE LIBRARY evaluation licence is free at this time and is valid for one year from the date below; it is normally renewable under the same terms.

- There is no warranty with the JOSTLE LIBRARY.

In signing the licence for the JOSTLE LIBRARY software I agree to all the above conditions and constraints. In particular, I agree that any legal disputes arising from the use of the JOSTLE LIBRARY can be settled under the laws of England and Wales.
